

Advance instructions for Karhujotos

At Jotos, patrol members need a daypack or a small backpack. Jotos' start and finish are in the competition center, so e.g. accommodation supplies do not need to be carried with you. Floor accommodation is reserved for participants, which is in the competition center in the sports hall.

Below is a list of soldering supplies needed.

Patrol-specific equipment for Karhujotos:

- EMIT competition cards 3 pcs
 - The EMIT marking system is used in patrol orientation. The number of the personal Emit competition card will be announced upon registration.
 - EMIT competition cards can be rented from the organizer for EUR 10.00/piece.
 - We charge EUR 70.00/piece for a lost competition card. The need for the EMIT competition card(s) to be rented must be indicated at the time of registration and paid at the time of registration with the future invoice.
- patrol first aid kit
- omat jotosmuonat/-juomat partion oman harkinnan mukaan
- 4 safety pins for attaching the competition number (1 per scout).

Personal patrol equipment:

You can use your own ones **in bold from the organizer**. **Note: SA** ie. Finnish Defense Forces

- weather appropriate clothing
- **SA-skis with bindings** (provided by the organizer) you may use your own hunting skis
- **SA-poles** (provided by the organizer) You may use your own poles
- **felt boots with felt lining** (provided by the organizer, but you can use your own boots)
- **snow suit** (provided by the organizer, but you can use your own snow suit)
- **compass** (the organizer reserves marching compasses)
- battery-operated lamp (handlamp or headlamp)muistiinpanovälineet
- knife
- matches / fire-making equipment
- cutlery + drinking bottle (water refill points are at check marks 8 and 12)
- spare clothes

- phone (protected in a waterproof protective bag)
- accommodation equipment, sleeping pad + sleeping bag
- personal washing equipment

Extreme sizes (very large or small) of felt boots and snowsuits are limited.

Movement in rough terrain

- Patrols must travel in the terrain with respect for nature. Littering is prohibited! There are garbage collection points at each task check.
- Fireworks are only allowed in places specifically announced by the organizer, e.g. the sheds along the jotos route are permitted places.
- The prohibited areas/routes and mandatory road crossings marked on the jogging map must be followed. Going into the yards and checking the jogging terrain in advance are prohibited.
- The use of phones and other smart devices during the competition is prohibited. Excluding the cases mentioned in the emergency instructions, the phone must have the 112 Suomi application downloaded.

The organizer can issue additional orders or instructions to the patrols during the competition as well

Rules:

Soldering follows the soldering rules confirmed by RESUL. The rules can be seen on the website <http://resul.fi/saannot/jotos/> (sorry only in Finnish, maybe later in Eng)

Competition info and instructions

Competition pages bit.ly/karhujotos here you can find instructions, info and registration instructions.

The address of the competition venue is Pogostantie 13, 82900 Iloimantsi. [Google map link](#)
